Sec 7/10/43. 9) In all these cases, the officials have been instructed to circulate all the papers through with the military & though they have agreed to bear Evacuation liable for overseas service. We does not seem to have been the intention of the Govt. of Ind to make the concessions applicable to such cases. This would practically indemnify every [illegible] applicable to Calcutta for jobs

The Concessions seem to have been sanctioned since Q Br has reported that the post to which the Candidate has been selected involves liability to serve overseas, & required Subs for passed and orders whether the A+F Br file may be sent for reference and return and the question examined.

10) Civilians required to persons joining fighting units, this concession would be enough. The concessions required to in the GO of 1941 do not seem to have been allowed even in British India to officials joining the fighting units.

17) Anyhow, as suggested by the Ch. Secy, lengthy pay may be excluded from the concessions, such persons are given hitherto.

It may be submitted here that the G.O's already issued have been Communicated to the parties and the leave allowances are perhaps being disbursed to the families of the officials.
